

STUDY SHOWS CLOTHS LESS COSTLY THAN PAPER

...also cleaner, with lower SCC's and Mastitis than paper.

Washington State University's Dept. of Veterinary Clinical Sciences has completed an exhaustive study which shows that the udder cloth system is **1/3 to 1/4** the cost of single-service paper towels. **The Continental Pro-Series washer-extractors from Dairy Clean LLC** can provide a significant boost to any dairy's bottom line.

- No Dryer necessary
- No Disinfectant necessary
- Paper towel disposal is costly
- More durable than a top-load
- Easy to operate - one button & GO!
- 3/5 Year Warranty

Paper towels cost from
\$11.68 to \$17.52 per
cow annually.

Udder cloth towels cost
\$3.95 per cow annually.
